Where's Anonymous Boy been?

Yes it's been a long time since I put out a zine. I've been doing a lot, though. I've been going all over with my animated video Green Pubes. I've been writing with Anne of Aunt Franne zine, a script for another animated video. I've been contributing to Aunt Franne zine. I've been contributing to Yell zine. I've been rehearsing and recording a record by Anonymous Boy and The Abominations. I've been doing a public access TV show on Manhattan cable. I've been little by little working on a new Violin Outbreak zine. I'm doing too much. Somebody stop me please! I want to Thank to the following people : Ronster, Anne, Donna, Len, The Lone Wolves, The Sea Monkeys, Kris Parrish, Norma Elwitt, Oscar and The Pidgin Sisters, Akiko of the Plungers, Claire, Alison Harvey, Gordon Gordon, Vaginal Davis, Jena & G.B.
