HELLO People!  
as you may  
have already  
heard from  
T.V., newspapers  
and various  
magazines, the  
Hottest Teen idol  
pop sensation to hit  
the planet, recently,  
is none other  
than the NAKED  
TEENAGERS"  
(or known by  
their fans as  
T.N.T.)

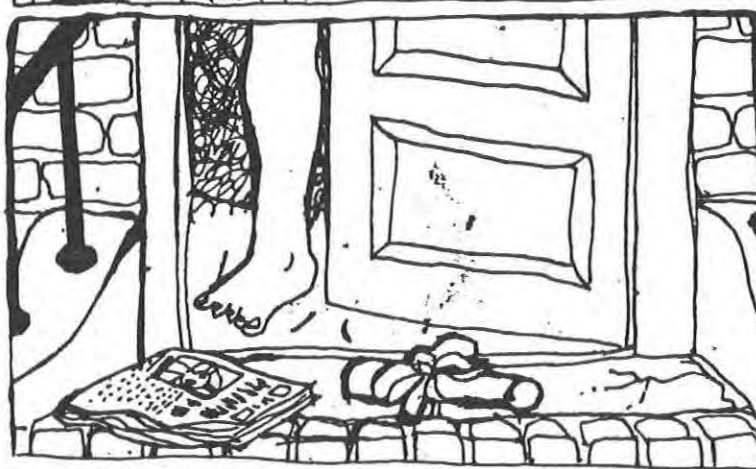

They're just a  
group of kids  
from the mid-  
west, BUT some  
of their songs  
have become in-  
ternational pop  
CLASSICS! Their  
first album  
'Get Munched!  
is a landmark pro-  
duction and has  
already been trans-  
lated into 45  
Languages!.

Right now the Gang is in a press conference  
discussing their WORLD TOUR! Let me  
introduce you....

Awww...it's been a hard day for the kids. Good  
NIGHT People sweet Dreams.

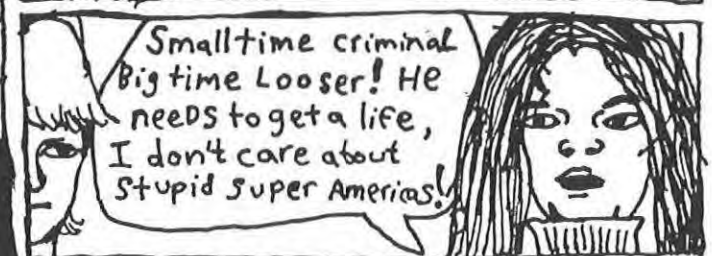

Dear Naked Teenagers... Congratulations on your new Digs on Lyndale avenue. I'm sure it's a real swingin' teen Head quarters. But what I want to know, are you kids really tough? Me and the Peuse Punx have been bustin' crimes left and right, and we haven't heard one "NOT" from you kids. So what's the mix? Are you gonna Fight, or what? That's Right! this is a challenge! if you choose to ignore me you'll be exposed like never before... signed the Purple Phantom

No, I just find it weird that this small time crook is making a threat on the hottest teen idol crime fighting team in the mid-west...

You think he wants to get rid of us?

But why? the Purple Phantom and his Punks can burn down the Neiman Marcus's for all we care.

I Don't know... But I want to nip this thing in the bud before the weekend. So let's get to work!

Me and Cheryl will get the published info on this Purple Phantom...

Alright!

Susan, David go to the super computer run the letter through, and see what you can find, oh and say Hi to Luke for me, we'll meet at 12:00 in the park for a picnic!

You Bet!

Meanwhile we find the Purple Phantom at his secret hide-out in the Park Siding Square public Sculpture... He's with the Peuse Punx, talking...

I Love the colors!

I like how it just sits there

Look junior!

No.

Purple Phantom! the letter has been delivered... Beautiful

Those teenagers will pretend to ignore my letter. But I'm sure they're up to something by now.

But Purple Phantom... why are we risking our operations to show off those kids?

Well...

If you haven't noticed, robbing super americas and Neiman Marcuss hasn't gotten the attention I had planned. We're gonna move up... to Record stores, flea markets and the GAP!!!

ALRIGHT!!!

But first we must get rid of those Naked Teenagers! And I'm making the first move! I'll see they never rise to the top of the charts again!!!

Huh?

What?...

Cheryl and Mark-Paul are busy tapping into police records as well as national and local publications.... let's see what they discover...

Man! I wish the cops could keep their act together. Look at the state of these records.

TRASH it! Try USA Today

Sure-thing...

Now were getting some where!

Look here... October 11, 1992... Mystery Purple villain attacks 17 super-americas in Minneapolis within one week!

October 14... 3 Neim Marcus's Reided, walls repainted a deep Lavender...

You know it's weird, we released our first album in October.

That's right "Get Munched" it made Number one on the Billboard charts in the first week!

By the way, when are we gonna do the tour, the record company has been hounding us all week! As soon as Susan gets her new Drum kit we can start the rehearsals.

Well you tell that to Warner Brothers I'm sick of it.

Have you printed it yet?

It's coming, It's coming!

I'll go make sandwiches for the pic-nic...

SUSAN and DAVID on the Beat...

Isn't this exciting! Do you think there is anything to this letter?

No.

HUH?

Susan! we Haven't come upon a crime since Ms. Pearl Lost her dog 4 months ago

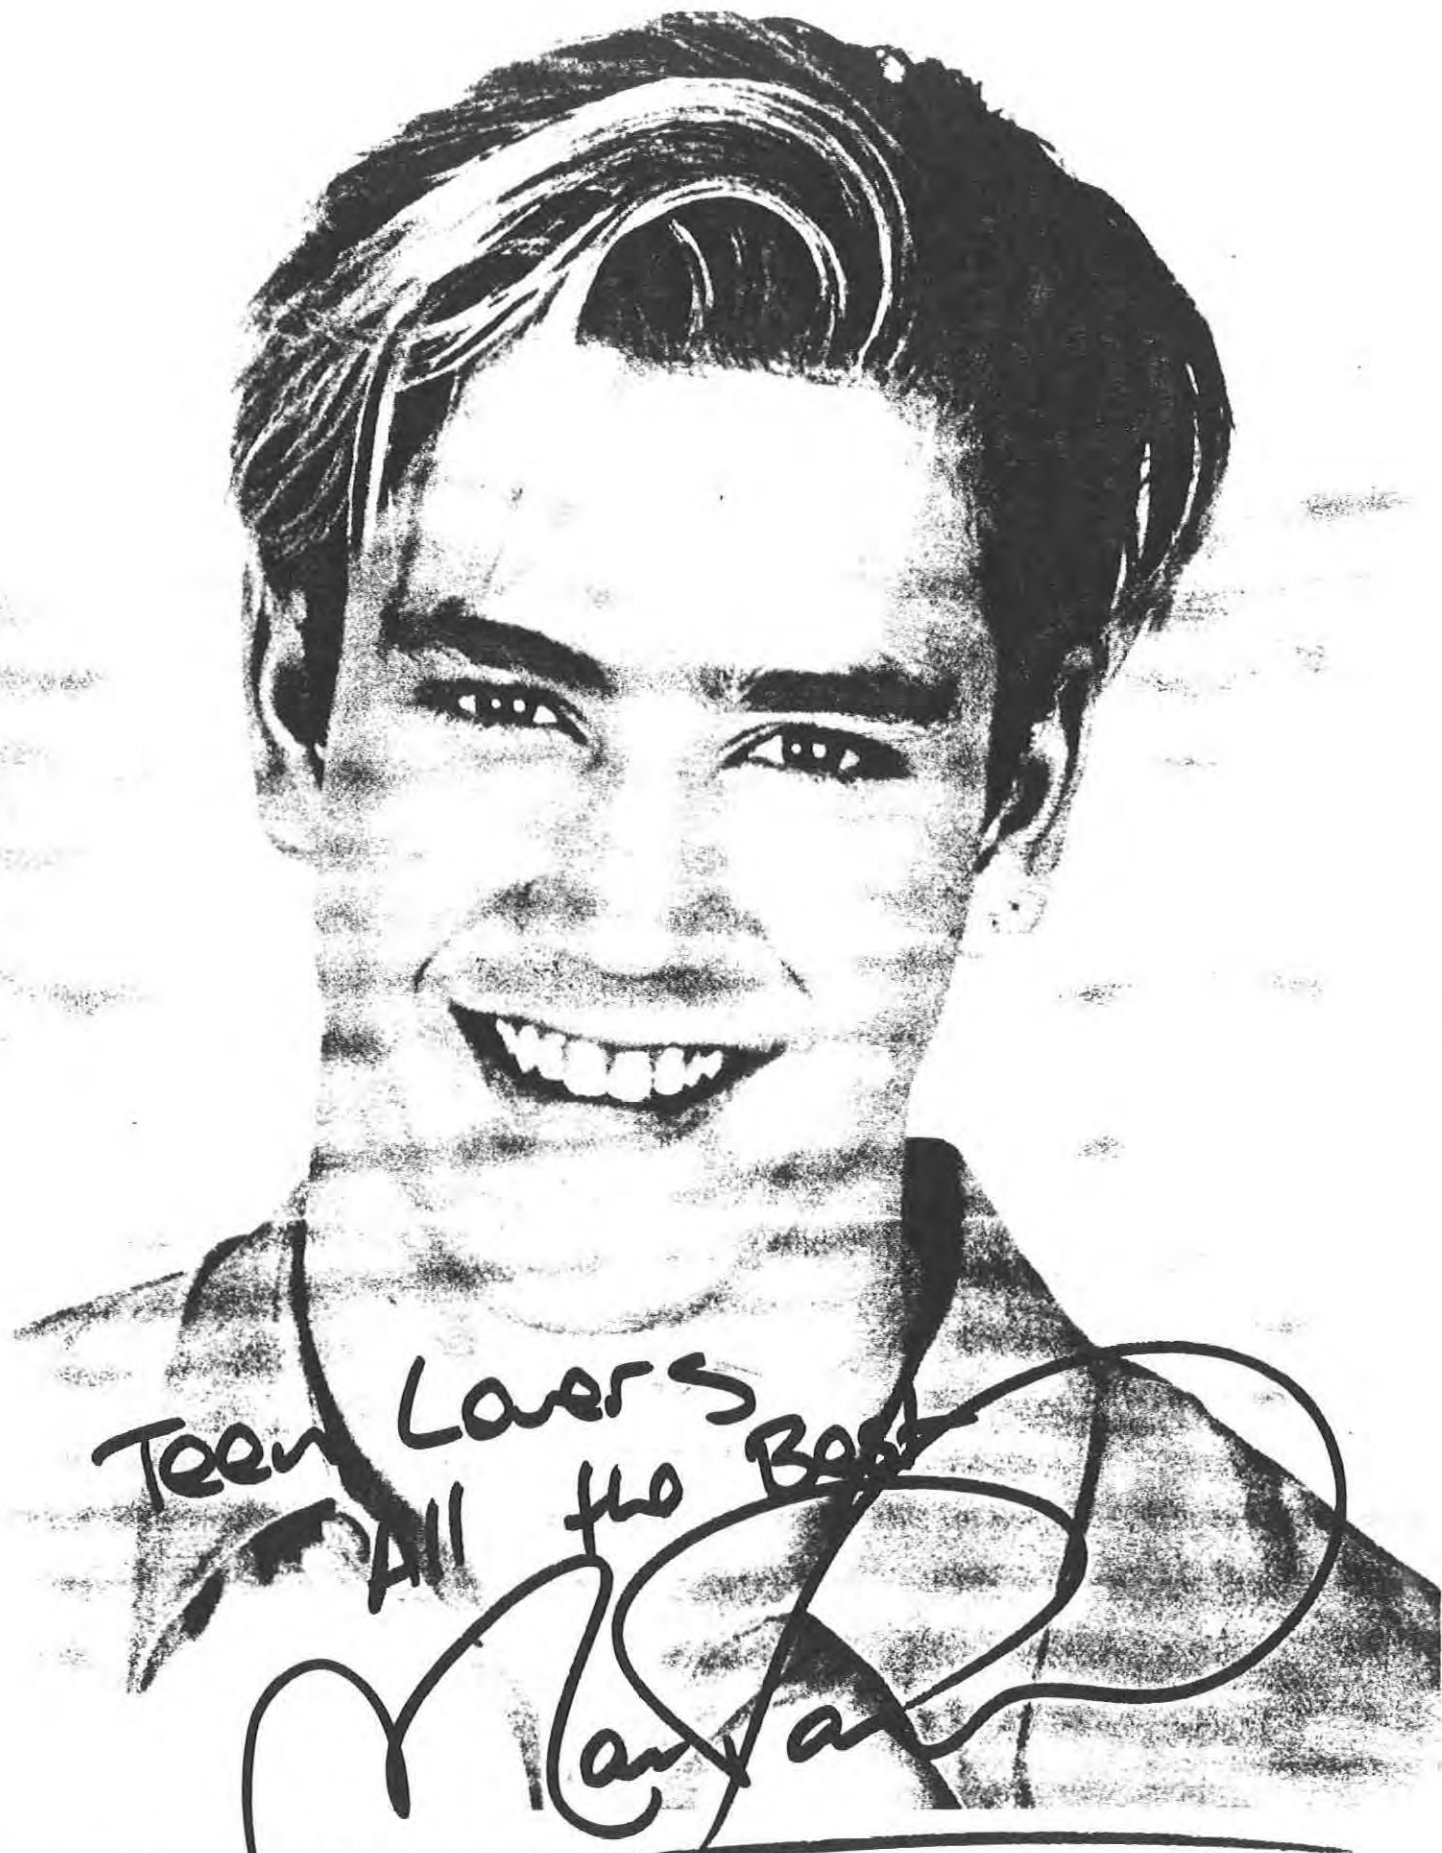

Yeah I know, But this is a real crook and it sounds like he's afraid of us!

Well Maybe.

**MARK - PAUL GOSSELAAR**

Here are the stats on the Purple Phantom...

LIKES...

- PASTA SALAD
- RAINY DAYS
- THE NUMBER 8
- FAVORITE COLOR IS PURPLE
- ANYBODY WITH A POSITIVE ATTITUDE
- AND... GOOD MUSIC

DIS-LIKES...

- PIMPLES
- USED CLOTHING
- SMART ASS TEENAGERS
- AND SPINACH

GOALS... TO SPREAD PEACE AND HAPPINESS THROUGHOUT THE WORLD, AND TO MAKE THE TOP 10 ONCE AGAIN...

I don't understand that last one...

WAIT I think I do.

Now I know why he wants to get us! he's jealous of the current success of our first album!

Hey yeah!

How do you know that? I didn't think your album was that great.

THE PURPLE Phantom's first attack on the scene was only one week after our album was released and two days after it hit #1.

OH.

I don't believe it! This Purple Phantom is a criminal not a rock star!

the super computer says the best defensive action is... A NET OF TINCANS DROPPED ABOVE THE STORE FRONT DOORS...

He could be both, besides that doesn't matter what we have to do is prevent him from breaking in to the Booby trap and scary cat. What did the super computer say to do?

Oh BRILLIANT!

Sounds like the super computer has a few super bugs!

# MOTHER LOVE

*To be a cheerleader's mom was her ultimate goal. And Wanda would stop at nothing—not even murder—to eliminate her daughter's more-talented competition!*

Wanda Holloway (above) pleaded innocent to hiring a hit man—but the jury didn't see it her way. Daughter Shanna (left) looked on.

# DEADLY

So, the gang meets on Colfax at 5:57 and head towards Park Siding Park to put the BIG L over on the Purple Phantom. Lets watch...
