FEMME SHARK COMMUNIQUE

#1

WHO ARE THE FEMME SHARKS?

The concept of the Femme Sharks was born when Zuleikha was having a really horrible time at her job at "the Mcdonald's of abortions and birth control." In one spectacular display of assholishness, a white coworker who she was giving a ride to across the bridge at 6 AM chirped up with, "It's just so hard being white these days...Don't you think that Asians have an unfair advantage getting into nursing school?" When Zuleikha said, calmly, that she didn't agree and she thought that there were things like, you know, systemic structural racism, in the world, the coworker said, "Yeah, I just wish we could hurry up and get equal so I wouldn't have to think about it anymore." Later the coworker burst into tears and started trying to hug it out when Zuleikha politely requested that they not have that kind of conversation again. In response, Zuleikha started doing aqua-aerobics like an hour a day to stop from going on a killing spree, and Leah joked, "What are you, some kind of femme shark?"

What started as an inside joke between two SBBFFFS (Slutty Brown Best Femme Friends Forever), became a manifesto on Livejournal, then a contingent at the Dyke March. At first it was just something I was doing to have fun, but it quickly became something a lot bigger. I realized when I pounded out the manifesto and the response was so crazy that it was because writing it crystallized everything I'd been feeling about being a femme of color. As someone put it on Livejournal, it was "a femme of color sermon, call to arms, affirmation and prayer." It was everything I'd felt about femme not just being about blonde girls wearing pink, but about the big deal about being fierce women of color or down white girls who are hot strong girls who are political who see the connection between everything in our lives.

The Femme Sharks Say: HRC is BULLSHIT!

The Femme Sharks, a movement of tough, loudmouth queer femme girls who are the leaders and defenders of our communities, say NO to a giant money party of hella privileged gays and lesbians who think that trans and genderqueer and brokeass queer and trans POC can go sit and spin. WE ARE NOT INTO IT.

***With high rates of murders, other forms of violence and everyday discrimination in jobs, housing, public accommodation, plus everyday hate against trans and gender variant people, it's time to stand up and DEMAND THE RESPECT WE DESERVE!

*** An ENDA that leaves out trans and gender variant folks is bullshit, and so is a group of high-powered elite queers who don't really give a damn about the rest of us as long as they can get married and get stock options.

*****Remember what Frederick Douglass said; "Power concedes nothing without a demand. It never has and it never will."

IST *****Come out and PARTY AND FIGHT FOR FREEDOM AND RESPECT this Saturday at the protest outside HRC's big gala! Look for our fins and our rage! Ally Sea Creatures are always welcome! And check it out- we got a mention on page 7 of the San Francisco Bay Guardian!

HOW TO BE A SHARK

a lot of people have written us asking "how can we join the movement?" the fact is that "capacity wise" (as they like to se say in the nonprofit industrial complex) the Femme Shark movement is founded by us, who are two girls, one of whom is an overworked writer/medical assistant/ abortion counselor, the other of whom is a writer/performer/tour booker/grad student who has a million ridiculous part-time jobs. it's really hard for us to check email, even. however, we're all about the people rising up autonomously, and we were like, huh, how can we have it be like The Women's Army in Born In Flames? underground cells, sleeper cells of Femme Sharks spreading the fierceness everywhere. so here are some thoughts. this is how you can bring Femme Sharks worldwide:

TEN THINGS YOU CAN DO TO BE A SHARK:

1. BE NICE TO OTHER GIRLS. Don't be a bitch unless it's to Fight Oppression and Bullshit. Don't start stupid, insane drama that drains all your energy and the good out of life. Don't see other femmes as competition or hate on them for achieving.
- 1.a STAND UP FOR OTHER GIRLS WHO ARE BEING FUCKED WITH. On the street, on the subway, at the lineup in the airport.
2. FIGHT OPPRESSION AND BULLSHIT. FUCK THAT WORD "INTERSECTIONALITY", BUT, YOU KNOW, BE IT. Fight for queer and trans folks of color caught up in the prison industrial complex like the New Jersey 4, transwomen of color (who are OG SHARKS) who have tons of people trying to kill them, women of

color trying to get fucking health care, First Nations women doing land claims, etc. Sharks Shoplift, Spraypaint, Stencil, self-Defend, Make Up Really Obnoxious Hot Pink Chants and Cheers, Scream, and FUCK SHIT UP, ESPECIALLY WHILE WEARING RIDICULOUSLY SLUTTY OUTFITS.

3. BE GOOD WITH BEING SINGLE. Work on being so awesome and complete in yourself, cock-rocking the single cock well, that if somebody shows up, cool, but if not, you're alright. Don't be so desperate and insecure about not having a butch/femme that you're clawing out other girls' eyeballs over any pathetic specimen that shows up, or making your relationship your job.

3a. REMEMBER: HIS DICK IS NOT GOLD-PLATED. DO NOT START FEELING LIKE WHATEVER RANDOM TRANSDUDE/BUTCH YOU'RE DATING IS SO RARE THAT HIS PRESENCE IS LIKE JEHOVAH IN YOUR AREA. HIS DICK IS NOT GOLD-PLATED, BUT YOU GODDAMN WELL ARE. If you're in a miserable relationship, leave.

4. BE BLOODTHIRSTY AND FEARLESS, IN A NON-CRAZY WAY. Fuck shit up for freedom! BE READY TO RIP SOMEONE'S FACE OFF IF YOU NEED TO. Practice.

4a. BE A LOUD AND VISIBLE PRESENCE: at demos, at the club, on the street. This can be done by: rocking ridiculously slutty outfits and hot pink satin fins, chanting loudly, travelling in a pack. Be loud, interrupt boring chants and business as usual with some realness that cuts through the shit like a buzz saw.

5. EAT A GODDAMN MEAL, AND ENJOY IT. Do not be anorexic or go around moaning that you gained all this weight so you're a size 4 now, Love being thick. love having a body, figure out how to do it. AGGRESSIVELY PURSUE BEING FAT AND BODY POSITIVE.. Eat a goddamn bacon avocado cheeseburger or some lebneh or a breakfast with some fried chicken in it. Preferably right after yoga. WORK ON NOT HATING YOUR BODY.

6. SHARKS JOIN INCITE WOMEN OF COLOR AGAINST VIOLENCE, OR ARE SUPPORTERS. If you

are stuck for ideas, there is a shit ton on their website. Go here: www.

7. THINK ABOUT WHAT KIND OF LEGACY YOU WANT TO LEAVE IN THE WORLD. DO IT. BE AMBITIOUS. CREATE COMMUNITY INSTITUTIONS. MAKE YOUR DREAMS REAL.

8. CENTER WOMEN OF COLOR, DISABLED WOMEN, WOMEN WITH NO MONEY, TRANS AND INTERSEX FOLKS, ETC. WE ARE NOT THE GODDAMN MINORITY REPORT, WE ARE A CENTER OF THE UNIVERSE.

9. LOOK FINE ON \$5 OR LESS. DON'T BUY INTO THE IDEA THAT FEMME= BEAUTY= MONEY.

10. FUCK AND FIGHT AGAINST THE POWER, WHETHER ITS HRC. YOU MOM, YOUR FUCKED-UP UNCLE, THE NONPROFIT, PRISON OR MILITARY INDUSTRIAL COMPLEX, ETC. RECLAIM THE POWER AND DIGNITY OF FEMALENESS- ESPECIALLY WOMAN OF COLOR, BROKE-ASS-, DISABLED, OLD FAT AND OTHERWISE REVILED FORMS OF GIRLNESS.

how to make a pink or grey pinstripe satin fin:

you will need:

a hot glue gun
fabric (check the dollar store, the thrift store, East Bay Depot for Creative Reuse, etc)
elastic and a stapler
that puffy stuff used to stuff dolls (get at fabric store)

Basically, cut out some triangles (2, same size) and hot glue two sides together. Stuff with puffy stuff. Hot glue third side shut. You can either cut enough elastic

go around someone's chin (head fin) or around their body (dorsal fin) and staple it to the center of the fin. Or, for a less labor intensive project, you can just bobby pin head fins to people's hair.

The Femme Sharks are an idea that was dreamed up by SBBFFF (Slutty Brown Best Femme Friends Forever) Zuleikha Mahmood and Leah Lakshmi Piepzna-Samarasinha in March of 2008, Oakland, CA.

The Femme Sharks are a movement founded by Leah Lakshmi Piepzna-Samarasinha and Zuleikha Mahmood to reclaim the power of femmes as fierce, tough, hungry girls who are the leaders and defenders of our communities. Pissed off at the stereotypes we keep running into inside and outside the queer community, that femme = weak, stupid, drama-laden, anorexic and looking like Barbie, in March 2008 Slutty Brown Best Femme Friends Forever Zuleikha Mahmood and Leah Lakshmi Piepzna-Samarasinha founded the Femme Sharks, a movement that re-inscribes femme as voracious, tough, complicated, and living inside many kinds of bodies- the kind of girls who can fuck your ass and change the oil in the car at the same time. Our manifesto has circulated widely across North America, and our Dyke March contingent in support of the New Jersey 4 was a huge hit. Projects in the works include an Oakland sex party for queer and trans POC benefiting QTPOC causes like the New Jersey 4. Check out our manifesto here: <http://brownstargirl.livejournal.com/260796.html> and email us at thefemmesharks@gmail.com for more info or to get involved.
