Zoom in.

*W E L C U M.*

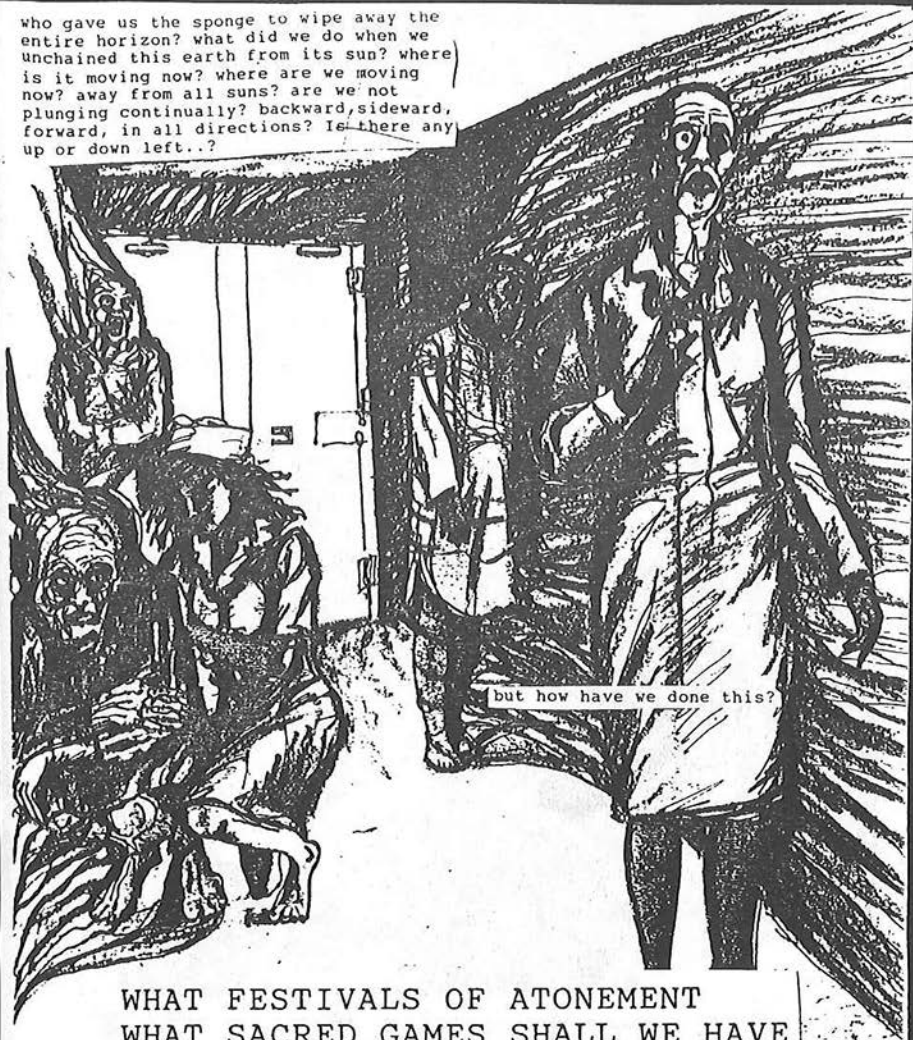

**THIS ANTIZINE REALLY SUCKS...  
REALLY, IT DOES. PUT IT DOWN  
NOW BEFORE YOU HURT YOURSELF  
IT BITES.**

Zoom out.

who gave us the sponge to wipe away the entire horizon? what did we do when we unchained this earth from its sun? where is it moving now? where are we moving now? away from all suns? are we not plunging continually? backward, sideward, forward, in all directions? Is there any up or down left...?

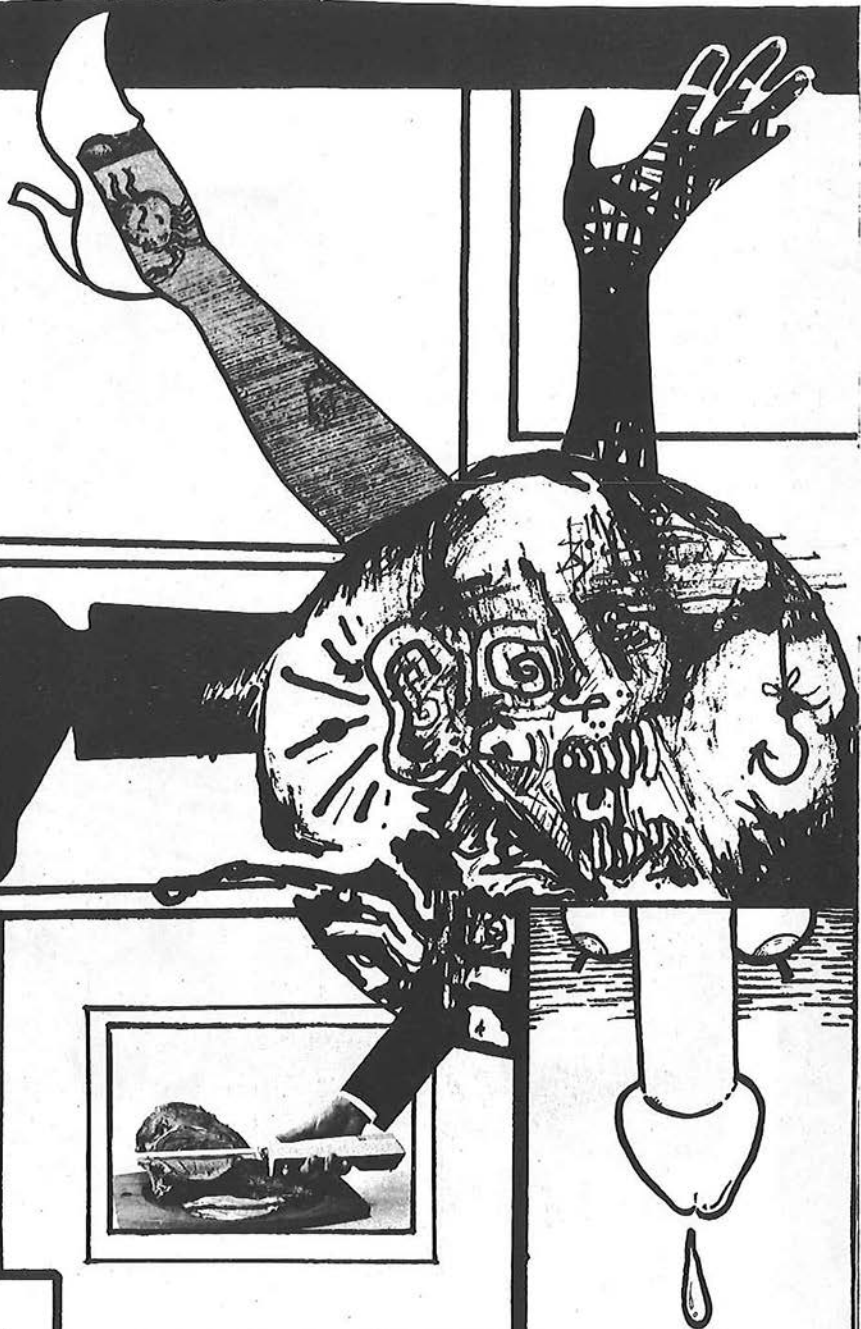

but how have we done this?

WHAT FESTIVALS OF ATONEMENT  
WHAT SACRED GAMES SHALL WE HAVE  
TO INVENT?

Gee Dad. **FUCK ME!**  
a WINCHESTER

There exists an emotional  
FREAK hidden beneath human  
reason, which, when aroused,  
can act in a wanton and  
destructive fashion, and  
can conjure up thousands of  
justifications and excuses  
for its behavior.
