FEMINISM 4EVA

feminism ain't a dirty word
is that what he said?
girl, is that what you heard?

well they're wrong and we're right
so listen to this
'cause you know we're hot for feminists

you think we're too sexy?
well, you're goddamn right!
feminism is seductive
so c'mon take a bite!

I've got hair in my pits
and lipstick on my lips
does that mean I'm not
a feminist? No!

just because I'm gay
or a la-day
don't disrespect
in my projects!

HELL'S NO

it's not your problem?

hell's no!

check it out!

where can I find you in 2010?
at a PTA meeting
or in another bed cheating?

when you're with me now
we won't get a baby-
but that's only if you give me
the respect of a lady

use this condom!
vote pro-choice!
you can fight with the ladies
if you raise your voice!

CHIC - THE LAYERED LOOK

swimsuit issue

there's an issue

you're not pretty enough

you're not skinny enough

let me tell you all about

your hundred other flaws

your stomach's too fat

I like it like that

your legs are too long

but I'm feeling strong

brace face, no waist

too loud, too proud

dimpled thighs, birthin' hips

I'm a woman deal with it

fuck your standards

fuck your lies

self respect is something

we won't compromise

no tits, flat ass

I'm still a lady

you jackass!

HONKY CHEER

we keep pretending that racism's dead
we pretend but still it's fed
by media that reaches us
by media that teaches us
that white is good, black means fear
that if the poor worked hard wealth would appear

white society
white, white supremacy

race is no big deal when your skin is white
ignore it until you confront
your fucked up stereotypes
something's ghetto
something's wrong

maybe it's your standards
that are what don't belong

prisons are filled with so many non-white
uneven proportions just reflect our fright
of the shit that whites don't understand
our sympathy is merely trite and canned

there's no way to ignore
the privilege white folks possess
skin color is political
let's fix this fucking mess!

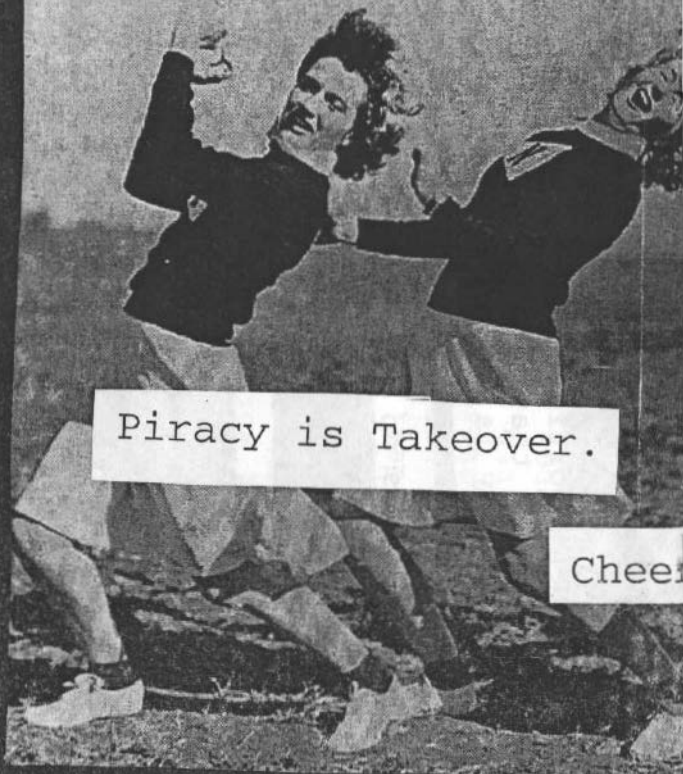

MINI GAY CHEER

gay, straight, or rainbow clad
sex is sex and none of it's bad
get god outta my pants
hey jesus, lay off this!

We have not forgotten anyth

have created, destroy

Piracy is Takeover.

Cheer

ning that those before us

ved, and/or reconstructed.

leading is Promotion.

PASSIVE AGGRESSIVE

be aggressive
b-e aggressive
b-e a-g-g-r-e-s-s-i-v-e
be passive
be really passive
b-e p-a-s-s-i-v-e
be passive aggressive!

play the game
get your way
you make me feel lame'
ignore the problem when you're mad
make me ask you why you're sad

you tell me what to do
without saying it at all
it is always you
making the call

bustin' ass at work all day
home's one more job with no pay
it's 24-7, do or die
shut up, take it
no time to cry -

can't quit the job
can't take a break
no simple plan
when the kids are at stake
let's reward our mothers
let's make a plan
repay the second shift
c'mon take a stand

how much shit can a woman take
we're raising the future
without a tax break

DON'T BE A JERK ("MOM" UPSIDEDOWN SPELLS "WOW")

so tell me what you want
what you really, really want
I'll tell you what I want
what I really, really want

better health care!

free birth control!

cheap day care!

gov't paid parental leave!

all mothers work
don't be a jerk!

"THAT'S SO GAY!"

if I hear
"that's so gay!"
one more goddamn time
I'm gonna start my own
fuckin' hate crime

so why is gay bad?
'cause your religion says it's true?
well, it advocates slavery
do you eat that shit up too?

pseudo-tolerance
all over the place
"it's ok if you're gay,
just not in my face."

conflicts with sexuality
is your fucking problem
not my job to apologize
or try n' solve 'em

you're not a homophobe
'cause you've got a gay friend
but you're still heterosexist
will that shit ever end?

one fucking role model
and a goddamn parade
your straight world's just concerned
with how I get laid

INTRO

we're pirates
we cheer
sometimes we have a beer

we're pro-woman
and pissed
sure call us feminist

we promote
we take over
we won't cry on your shoulder

self sufficient

but we don't like you either!
we're cheerleaders,
we are cheerleaders!
you know!

BOI! BOI!

when you're so pro-animal
when you're so anti-hate
when you fight with your fist
what you say with your face

why don't we matter
what can we say?
when you say that girls
just get in the way

so wrapped up in talking rock
your righteous ways come straight from your cock
like cum on a napkin you bravado is a mess
get with the program or kiss my fuckin' ass

all you black haired boys in your fuckin' chuck
wake up to our world
we ain't playin' you damn haters! taylor's

we're here for the music
not to meet boys
your politics make us sick
when you treat us like toys

rise up for your cause

don't forget who made you.
